## Powder Coating / Painting

We can match colors and textures to suit your needs. Our experts can provide color matching based on a sample provided, manufacturer names or the following color chart standards.

- [Pantone matching system](#)
- [Federal Standard 595 color chart](#)
- Ral color chart

Here are some of the Mil-Spec paints/primers that we frequently stock and process:

- Mil-P-53022
- Mil-DTL-64159
- Mil-P-24441
- Mil-DTL-53039
- Mil-P-23377
- Mil-PRF-85582
- Mil-PRF-22750
- Mil Spec TTP28

*\*Some products may need to allow for stock or matching time. Custom powders may be subject to manufacturer order minimums.*
